# Let's Get Back to Nature ...

Single use plastic products are damaging our eco systems and affecting millions of life. It's not about what we did and doing. It's all about how we(means all) can stop polluting Earth and can add value to it, that is our thought and hence, **Santkrupa Auto Pack** was incorporated.

We are the first fully **Robotic Bio Degradable** Products Manufacturer & Leading Bio Degradable products Manufacturer of India with Capacity of Daily Production of More than 10 Tons. Our Thought Process is always innovative, cost effective and Eco Friendly. We are manufacturing range of biodegradable and compostable food packaging products which are strong, adorable aesthetic and is the best option for plastic and thermocoal items as a cost effective too.

## Let's Start & Adapt Nature Again

# Consumers Health & Nature

Our Eco-Friendly disposable products are aesthetically pleasing products so that customers can enjoy food without any negative impact on the taste & Health as plastic products do. Due to Durability these products are gaining popularity among food, health and nature conscious peoples.

## Product Advantages

100%  
Eco Friendly

Reduce  
Waste

Customizable

Can be used for  
hot & cold foods

Durable

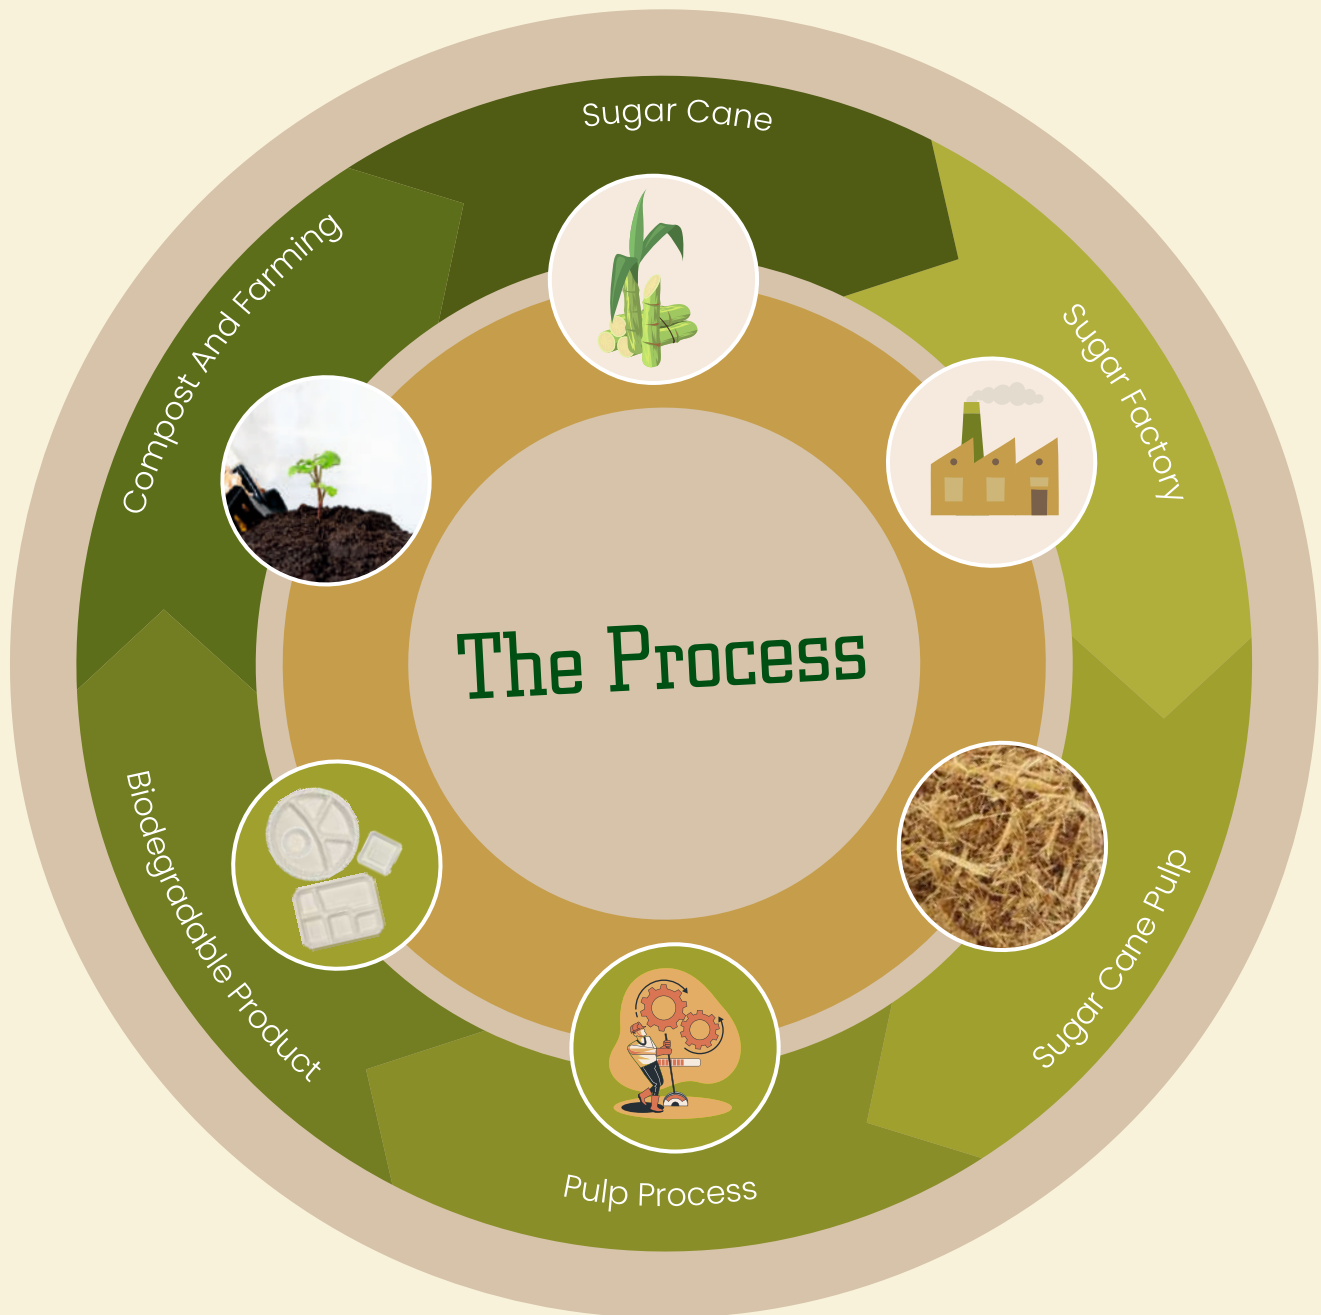

Non-toxic
